

## Good Life Group Testimonials

Dear Bev:

Isa and I can't thank you enough for finding the perfect lake house for our family – and for shepherding the process so professionally. You were a pleasure to work with, and we appreciate the problem-solving skills you brought to the table without ever compromising your integrity. Thanks, too, for referring us to other honest folks who are helping us get situated. We hope this will be our slice of paradise for years to come, but if we ever need to sell, you will be our first call!

All the best, Russ Spencer (Fox 5 News Anchor)

What a wonderful experience we had through Dani Brown. We have sold two homes and bought one, which was a short sale, in the past six months and everything about each transaction was completely seamless. She is EXTREMELY knowledgeable of the current market even telling us things that we didn't realize. The buying of the short sale was just as simple as well as the selling of our two homes, all thanks to Dani. I cannot say enough for all of her knowledge and advice she gave us...Dani Brown, YOU ARE THE BEST!

Jackie [Powalowski] found us the perfect house on Lake Lanier! After looking at houses just a few times Jackie was able to understand exactly what we were looking for and what mattered most to us. The second this home was listed, Jackie knew it was perfect for us and she was right. The negotiations, inspection, and closing all went quickly and smoothly. Jackie made sure that everything was in order for us to be able to move in on time. We couldn't be happier with the buying experience and we absolutely love our lake house!

We moved here from Arkansas and simply by word of mouth heard of Heather Skoglund. We feel having chose her as our realtor was a godsend. She was, at all times, professional, hard working, and very knowledgeable, especially as to finding the resources to solve any issues that arose. We cannot say enough good things about her. We are confident, with Heather as your realtor, it will be smooth sailing for you as well.

"After a failed attempt to sell our house with another Realtor and taking our home off the market for a few months, we decided to give it a go with trying to sell our house again. We interviewed several agents, but in the end we felt Dani had a better pulse on the market in our area than other agents we interviewed. Dani is professional and available. Dani had a positive attitude throughout the process. We received an offer about 6 weeks after we put in on the market and closed shortly after. I would highly recommend Dani." - Lynne

Dear Bev,

Words cannot adequately express how grateful Fred and I are to you for your help in selling our house. We have bought and sold many houses over the years but this time was, by far, the easiest...and most fun! Thank you, too, for your lovely gift. When we lift our glasses to our new little grandson in April, we will also toast you and our new friendship! To also remember Spencer and Thimble was so sweet of you. They are important members of our little family. Thank you for everything! Anne Smith

Dani Brown made a huge impression on us with her expertise and knowledge of the Lanier area. We decided we wanted a second home on Lake Lanier. One weekend we called her office to see one of her listings. She took us out to show that listing and a few others in the area. She asked lots of questions and figured out what we were looking for. Much of the figuring out was by looking at our expressions when we walked in to a home rather than what words we used to tell her what we wanted :-). Dani does her homework and she previewed many homes for us and the next weekend we put a contract on a home. We've bought many homes in the past but never have we had an agent that really understood what we wanted and delivered so quickly. I told her that this was going to be her easiest sale ever. I shouldn't have spoken so quickly! We ended up having many problems with the sale which Dani took care for us in a professional manner. Over the last two years, as we spent our weekends at Lanier, Dani has been my go to person when I had questions about contractors or anything to do with Lanier living. We're looking forward to living there full time in the near future. Would I recommend her? Absolutely! - Cheryl Wolcott

Bev Knight was our listing agent for our lake home. It was a tough market and she got our home sold after several attempts with other realtors. What makes Bev different is she is thorough, knows her market and she is a total advocate for her client. We highly recommend Bev as she will get the job done and personally she is a delightful lady.

We can not say enough about the professionalism and integrity of Keller Williams...especially Jackie Powalowski. She was patient and thorough, and helped us find "just the right home". There were issues with the sellers, and she and Beth Knight handled all the details to the satisfaction of the sellers as well

as for us. If you want to have confidence in a realtor with integrity...Jackie is your gal!

Every now and then in life, you meet someone who exceeds your expectations in every possible way... Bev Knight and The Good Life Real Estate Group is the epitome of this experience. We simply cannot say enough good things about them. Bev and her team worked diligently to guide us every step of the way in the sale of our home. They know the Lake Lanier area impressively well and were able to help guide us towards correctly pricing and staging our home. Bev and her team worked diligently with their very creative marketing strategies and never slowed down their efforts. Bev also worked very hard to negotiate a fair deal between seller and buyer and was extremely knowledgeable regarding real estate laws. We just happened to find Bev and her team on Zillow... and we now feel extremely confident in telling you that you need not look further for a phenomenal real estate company to work with.
